The Roanoke Valley Golf Hall of Fame

Founded in 1973, the Roanoke Valley Golf Hall of Fame serves to promote the game of golf in and around Roanoke, Virginia. The Hall of Fame, which includes 13 public and private courses, provides annual scholarships and honors to outstanding high school players and coaches each season. It also administers a points ranking system, presents certificates of merit and inducts members who have made an outstanding contribution to golf in the valley.

In addition, the annual Hall of Fame tournaments bring together the Roanoke Valley's top amateur men, women, junior, senior, and super senior golfers each year for team and individual competition.
