

HOF AWARDS \$62,000 IN SCHOLARSHIPS

Forget its annual five championships. The Roanoke Valley Golf Hall of Fame's most valuable contribution to the game in the area remains its ever-expanding commitment to the betterment of the game.

College-bound high school seniors and college students who exhibit some interest in golf continue to reap huge dividends from the HOF's ever-expanding scholarship program.

Now in its 40th year, the HOF recently awarded \$62,000 in scholarship awards to 37 area students representing all of the high schools in the organization's geographical window. In the past 32 years, the organization has doled out nearly \$1 million in scholarship money to deserving students.

The biggest winner this year was Franklin County senior Kolton Cooper, who was selected as the recipient of the \$20,000 Don Holliday Memorial scholarship. The award, named in honor of the late Roanoker, will provide \$5,000 annually towards Kolton's tuition at Roanoke College the next four years.

Caleb Richmond, a senior at William Byrd who is bound for Roanoke College, was awarded the \$10,000 King Family Memorial scholarship. The grant is named in honor of Clarence and Martha King, the late patriarch and matriarch of the family that ran Blue Hills Golf Club from 1957-2008.

Any student who resides in the Roanoke Valley -- defined as the counties of Roanoke, Botetourt, Franklin, Bedford and Montgomery -- and will attend a four-year or two-year accredited college is eligible for the annual awards. The applicant need not be an avid golfer but should exhibit some interest in the game.

The HOF's popular two-person player's card raised the majority of the money for this year's awards. The card that allows two players to play all of the HOF courses at a drastically reduced rate goes on sale in early spring each year.

Anyone Can Nominate For The Hall

Everyone has the opportunity to nominate candidates for the Roanoke Valley Golf Hall of Fame.

All you have to do is write down his or her accomplishments to golf either as player or supporter, and give your list to any member of the selection committee.

The committee will study the list and make recommendations to the Hall's Board of Directors. It will take a 75% vote of the board to be elected.
